Our Story

Alegria by PG Lite® started with a simple idea in mind – to create a comfortable shoe with personality and brightness that invokes happiness. We bring that concept to life by designing shoes using rich supple leathers and vivid prints, and then pairing each distinctive creation with our specially-formulated patented footbed.

With over two decades of experience dedicated to comfort footwear, our footbed design offers ample arch and heel support to help relieve stress on legs, hips and back from long hours on the feet. Available in casual wear, professional wear, sandals, wedges, heels and boots, there's blissful comfort to be found in every style. Explore the many facets of happiness here.

Alegria by PG Lite® – This Is What Happy Looks Like®.

Our Secret

The Alegria footbed — the foundation of our shoes — is the secret inside every pair of Alegria by PG Lite®. The signature classic footbed is comprised of specially-formulated soft polyurethane, cork and memory foam, and ergonomically designed to fit the natural contours of the feet. With our patented interlocking technology, this removable footbed is firmly secured onto our slip-resistant, mild-rocker outsole for assured confidence on any surface. Simply put, Alegria by PG Lite® engineers comfort into every pair.
